

Wastewater Project Profile Rankings 2009 for Daviess County Planning Unit

Regional Ranking	Planning Unit	Planning Unit Ranking	Utility	Project Name	Project Number	Focus of Project		Unserved Customers	Served Customers	Project Cost	Funding Gap	Estimated Project Start Date	Projected Funding Sources	Funding Sources applied for	Funding Sources Confirmed	Regional Project	Overall Points	Description
						Aging Infrastructure Water Source Unserved Customers Service Quality Other	If other list benefit here											
1	Daviess	1	Regional Water Resource Agency	North Hwy 81 Sewer Extension	SX21059035	Unserved Customers Other	10 Jobs Retained	19	-	\$ 145,000	\$ 80,000	Mar-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA		HB380-\$65,000	No	63	The 2007 HB380 funds in the amount of \$65,000 originally set aside for project SX21059014 will be moved to this project. This project proposes to extend sewer service to the north Hwy 81 corridor from an existing lift station to several commercial, manufacturing, and residential properties.
3	Daviess	2	Regional Water Resource Agency	Locust Hills Sewer Extension	SX21059025	Unserved Customers		65	-	\$ 400,000	\$ 400,000	Feb-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	60	This project proposes to provide wastewater services to the Locust Hill Subdivision properties through the extension of sewer lines and other necessary wastewater facilities. The subdivision is currently served by on-site septic systems that are generally not functioning properly and creating environmental concerns.
5	Daviess	3	Regional Water Resource Agency	Sunrise Drive Sewer Extension	SX21059031	Unserved Customers		28	-	\$ 616,550	\$ 616,550	Jun-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	60	This project will extend sanitary sewers to the Sunrise Drive area of Owensboro to serve 28 new households.
8	Daviess	4	Daviess County Fiscal Court / Regional Water Resource Agency	Masonville Sewer Line Extension	SX21059014	Unserved Customers Service Quality		105	135	\$ 1,130,000	\$ 250,000	May-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA		Local Funding - \$880,000	No	48	This project received a HB 267 grant in 2005 that will be used for project SX21059007 instead. This project also received a \$65,000 HB 380 grant in 2007 that will be moved to project SX21059035. This project involves the construction of a lift station on Hill Bridge Road and the construction of a 12 inch force main near the Owensboro Community College. Ten inch Gravity sewer mains will be constructed from the lift station thru a newly proposed development and up to Wilson Lane near Masonville. Additionally, 8 inch collector sewers will be constructed along Wilson Lane to serve a total of 80 new potential customers in the new development and 25 immediate customers on Wilson Lane. Finally, 12 inch sewer mains will extend further into Masonville eliminating three package treatment plants which will improve service to 35 existing customers in the Garden Subdivision and in an unnamed Mobile Home Park, as well as, Beacon School.
18	Daviess	5	Regional Water Resource Agency	Dublin Lane Tunnel Sewer Outfall Reconstruction	SX21059034	Aging Infrastructure		-	10,000	\$ 3,000,000	\$ 3,000,000	Mar-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	35	The Dublin Lane sewer outfall has deteriorated and has had an emergency repair that is currently deteriorating rapidly. Regional Water Resource Agency proposes to construct a new outfall sewer at a higher elevation, along with reconstruction of the pump station intake. This combined repair/reconstruction will establish a configuration that will improve CSO environmental conditions at this location, thus reducing combined sewage overflows.
19	Daviess	6	Regional Water Resource Agency	Locust St. Tunnel Sewer Outfall Improvement	SX21059009	Service Quality		-	3,500	\$ 1,500,000	\$ 750,000	Mar-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA		Local Funding-\$750,000	No	35	This project will connect the Locust St. Tunnel Sewer System outfall to the Ravin Sewer System. This will reduce basement back-ups from the Locust St. Tunnel Sewer System.
20	Daviess	7	Regional Water Resource Agency	Woodlands South Sewer Extension	SX21059026	Unserved Customers		70	-	\$ 450,000	\$ 450,000	Feb-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	35	This project proposes to provide wastewater services to the Woodlands South Subdivision properties through the extension of sewer lines and other necessary wastewater facilities. The subdivision is currently served by on-site septic systems that are generally not functioning properly and creating environmental concerns.
38	Daviess	8	Regional Water Resource Agency	Ravines Sewer Upgrade	SX21059027	Aging Infrastructure		-	500	\$ 1,000,000	\$ 1,000,000	Apr-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	20	This project proposes the reconstruction and upgrade of the ravine interceptor sewer located in the combined sewer section of north Owensboro. The current ravine sewer is in poor condition and has infiltration occurring both in cracks and joints throughout the line. Sections of the line may be replaced with other sections being replaced.
39	Daviess	9	Regional Water Resource Agency	Southwest Master Pump Station Project	SX21059033	Service Quality		-	2,017	\$ 4,484,750	\$ 4,484,750	Jun-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	15	This project proposes the construction of a master pump station and force main along with other appurtenances in the western section of the Regional Water Resource Agency system to allow for the redistribution of sewage from the East Treatment Plant to the Max Rhoads Treatment Plant (West Plant).
