

Wastewater Project Profile Rankings 2009 for McLean County Planning Unit

Regional Ranking	Planning Unit	Planning Unit Ranking	Utility	Project Name	Project Number	Focus of Project		Unserved Customers	Served Customers	Project Cost	Funding Gap	Estimated Project Start Date	Projected Funding Sources	Funding Sources applied for	Funding Sources Confirmed	Regional Project	Overall Points	Description
						Aging Infrastructure Water Source Unserved Customers Service Quality Other	If other list benefit here											
					SX number								What sources will be sought. Specify loan or grant.	Make sure to include whether loan or grant	Make sure to include whether loan or grant	(yes or no) Regional projects should be giving more consideration as they will service several areas.	Total Points for each project if applicable	
10	McLean	1	McLean County Fiscal Court	Sacramento Sewer Pumps #2	SX21149017	Aging Infrastructure		-	308	\$ 280,000	\$ 280,000	Mar-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	45	This project will allow the city to replace deteriorating pumps located at each customer connection. The existing pumps are old and require constant attention that continues to deplete the city's financial resources. This project will replace 178 of the city's 318 pumps.
11	McLean	2	City of Livermore	Livermore I&I Sewer Rehab project	SX21149008	Aging Infrastructure		-	764	\$ 2,100,000	\$ 1,795,000	Feb-10	HB380 Grant, CDBG Grant, RD Loan/Grant	RD Grant/Loan and HB380	HB267 - \$205,000 HB380 - \$100,000	No	45	The City of Livermore has several sewer mains that date back to the 1930's that are experiencing I&I problems. During rains events, the amount of overflow is over 300,000 gallons per day. The city is proposing to break this project into two phases. Phase I will involve the planning activities associated with determining the areas to be rehab. This included smoke testing, hydraulic testing, camera work, and design of the rehab project. Phase II will involve the actual construction associated with mitigating the I&I problem. The City is proposing to rehab these mains and prevent overflows into the Green River and into open ditches in the City.
12	McLean	3	City of Calhoun	KY 81 Sewer Line Extension	SX21149010	Unserved Customers		50	-	\$ 1,000,000	\$ 800,000	May-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA	Line Item Grant	HB380 - \$40,000 HB267 - \$80,000 HB267 - \$80,000	No	45	This project will extend 6228 linear feet of sewer lines along Hwy 81 and along Hwy 815 to serve 50 households and three business.
15	McLean	4	City of Island	Buttonsberry Sewer Extension	SX21149003	Unserved Customers		50	-	\$ 1,250,000	\$ 1,200,000	Jun-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA	Line Item Grant	HB380 - \$50,000	No	40	This project will extend sewer collector mains to the Buttonsberry Community from the City of Island. This project will require 2-4 lift stations due to the terrain in the area.
29	McLean	5	City of Island	Hwy 431 Island Sewer Extension	SX21149014	Unserved Customers		15	-	\$ 120,000	\$ 120,000	Mar-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	30	This project will extend sewer service to customers along Hwy 431 just south of the City of Island.
30	McLean	6	City of Livermore	Livermore Sewer Line Extensions	SX21149002	Unserved Customers		75	-	\$ 1,350,000	\$ 1,350,000	Jun-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	30	This project involves three sewer line extensions: 543 feet off of Hill Street, 1700 feet along KY 136 and 5597 feet out Hwy 431
31	McLean	7	City of Island	Hwy 85 Sewer Line Extension	SX21149006	Unserved Customers		25	-	\$ 750,000	\$ 750,000	Jun-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	30	This project involves the extension of sewer collector mains out Hwy 85 from the City of Island to serve approximately 25 households.
32	McLean	8	City of Island	Fox Hollow Road Sewer Line Extension	SX21149005	Unserved Customers		30	-	\$ 1,000,000	\$ 1,000,000	Apr-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	30	This project involves the extension of sewer collector mains to residents located along Fox Hollow Road from the City of Island. This extension will also require the installation of approximately lift stations.
33	McLean	9	City of Island	Island Wastewater Treatment Plant Upgrade	SX21149013	Aging Infrastructure		-	176	\$ 115,000	\$ 115,000	Jul-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	29	This project will allow the city to install new aerators at the wastewater treatment plant.
37	McLean	10	City of Island	Hwy 431 Sewer Main Extension	SX21149004	Unserved Customers		10	-	\$ 500,000	\$ 500,000	Apr-10	CDBG/SRF/Line Item Grant/RD Loan & Grant/IRLF/EPA			No	25	This project involves the extension of existing sewer out Hwy 431 to the Green River from the City of Island to serve approximately 10 residences and 2 industrial sites.
