

Disclaimer:

Information presented in this report card has been extracted from *The Health of Kentucky: A County Assessment* published by the Kentucky Institute of Medicine in 2007. This assessment was funded in part by a grant from the Foundation for a Healthy Kentucky. The Foundation's mission is to address the unmet healthcare needs of Kentucky. The views expressed in the publication printed by the Kentucky Institute of Medicine are those of the authors and may not reflect the views of the Foundation for a Healthy Kentucky, its governing body or staff.
